

## Job Specification – TurING Intern

ING's purpose is 'Empowering people to stay a step ahead in life and in business'. Every ING colleague is given the opportunity to contribute to that vision. We champion self-reliance and foster a collaborative and innovative culture. The Orange Code is our global manifesto for how we stay true to our purpose and our tradition of reinvention and empowerment. It is made up of **ING Values** (we are honest; we are prudent; we are responsible) and **ING Behaviours**: (you take it on and make it happen; you help others to be successful; you are always a step ahead). For us, success will only be achieved if we act with **Integrity**.

Some companies see diversity as a box to be ticked. We see it as fundamental to our success and we encourage a proper work/life balance. At ING, you'll only be judged on your performance in line with the Orange Code. And that's a promise.

### Core Information

<b>Job Title:</b>	TurING Intern
<b>Business/Function:</b>	Wholesale Banking
<b>Department:</b>	TurING Squad, WB Tech
<b>Line Manager:</b>	Russell Watson
<b>Core Hours of Work:</b>	Full Time 9.00am – 5.00pm
<b>Internship Programme</b>	9 month paid internship programme running from September 2020 to June 2021.
<b>Status:</b>	Temporary
<b>Required start date:</b>	September 2020

### Job Specification

#### Overview:

This is not just a role in the IT department, this is an internship programme. You will be required to participate in organising charity and social events taking place in the bank as a team. You will also get a lot of support in learning about Wholesale Banking and laying the foundations for a professional future career. We are looking for an enthusiastic team player to get stuck into all of the intern tasks.

The Turing Squad works on various in-house built applications – mainly web-based and SQL Server. Applications are being migrated to Cloud hosting with automated deployment. Turing works form many business areas of the bank, including HR, Compliance, Sales and various others. Like Partnering, Turing has colleagues based in Mumbai.

#### Main Duties and Responsibilities of Role

- 1st line support of around 15 internal intranet based applications. IT Risk evidencing to make ING the worlds' safest bank
- Working with the rest of the interns to put together 'meet the manager' sessions amongst the managers, networking events and product sessions.
- Thinking of ideas for charity events for the London office and taking them on and making them happen!

### Career Potential

This role provides an excellent opportunity to gain an introduction to working within the Wholesale Banking Tech function/department.

## Candidate Profile

### Qualification/Education

**Essential:** A recent graduate or looking to do a university placement year.

### Experience/Knowledge

**Essential:** Basic understanding of web based intranet applications

**Desirable:** Basic C#/Java knowledge, Windows Servers, Internet Information Services

### Personal Competencies

**Essential:** Someone who can work well as part of a team as well as own initiative, good time keeper and well organised.  
Good communication and interpersonal skills are required both for interaction between team members and customers.  
Good PC skills, including a working knowledge of Word, Excel & Outlook.  
Someone with a professional and confident manner.  
Good verbal and written communication skills.  
Approachable and friendly.  
An organised and details orientated individual.  
A team player who has the ability to develop strong relationships with clients, candidates and colleagues.  
Someone who will also play a big part in the intern team and represent the department well.  
Proactive.  
Professionalism.  
Ability to execute tasks independently and manage/prioritize workload.  
Willingness to learn.
