

Job Specification – IT Security & UK CISO Intern

ING is a global bank with a strong European base. Our over 56,000 employees serve around 38.8 million customers, corporate clients and financial institutions in over 40 countries. Our purpose is to empower people to stay a step ahead in life and in business. This purpose guides us in everything we do.

Our products include savings, payments, investments, loans and mortgages in most of our retail markets. For our Wholesale Banking clients, we provide specialised lending, tailored corporate finance, debt and equity market solutions, payments & cash management and trade and treasury services. Customer experience is what differentiates us and we're continuously innovating to improve it. We also partner with others to bring disruptive ideas to market faster.

'Do your thing' is our new brand direction and our first global tagline. It articulates our purpose and our promise to make banking frictionless. It's about encouraging people to do more of the things that move them and their business. 'Do your thing' is not about irresponsible behaviour but about people being free to live the life they want to live, knowing that they will make their world a little better for it.

Job Description

The purpose of Information & IT Security is ensuring ING will be amongst the safest banks and will be seen as a leader in (IT) security. We assist Wholesale Banking (WB) including the Tech organisation Globally in being successful in IT Risk and IT Security. Overall, we ensure that IT Security and IT Risk Management is part of our DNA.

The IT Security/ Chief Information Security Office (CISO) squads have a split reporting line to UK CIO & UK COO/WB CISO. The squad functions are responsible for 1st Line of Defence Security & Risk Management activities of UK Region and management of Information Security & Risk associated with all technology assets used by ING UK (London) and our office in Dubai, as well as Security advisory in projects, Cybersecurity and UK Anti-Fraud, Business Continuity, Disaster Recovery activities.

The squad functionally reports into WB Network & Core Banking - IT Security tribe and WB Global CISO office.

The squads are responsible for ensuring that the ING Group Security Policies are implemented in the businesses within its remit. These include risk assessments for applications and projects, Security Monitoring, Vulnerability Management, Security Incident Management and IT SOX Compliance etc. The IT Security & CISO teams work in an agile framework.

Job Responsibilities

- Member of the WB UK CISO & IT Security Team.
- Assist in Application Security Reviews using CISO Risk tooling (i.e./ 3rd party / Cloud provider assessments).
- Assist in Creating and reviewing Security Baseline Documents.
- Assist with providing monthly data input for KRIs submission for 2nd Line IRM and IT Security.
- Collaborating with Global Centre of Excellence Key Control Testing teams, to provide input and assist with key control testing for IT generic controls.
- Assist with the review vulnerability reports, providing consultation to IT Dev Ops squads for resolution.
- Assist colleagues with ongoing Security Awareness Training towards all staff
- Assist and contribute ideas with CISO/IT Security with small & medium sized projects.
- Assist colleagues with the review of Data Leakage reports and follow up with unusual activity.

- Provide assistance and guidance with phishing and malware incidents.
- Working with an agile approach as part of the ING One Agile Way of Working framework.
- Assisting the WB UK CISO office completing their quarterly business reviews (QBR) activities, e.g. reporting Anti-Fraud incidents, collaborating with the business in Business Continuity and Operational Resilience.
- Working with the rest of the interns to put together 'meet the manager' sessions amongst the managers, networking events and product sessions.
- Thinking of ideas for charity events for the London office and taking them on and making them happen!

What Type Of People Are We Looking For

Creating a differentiating experience starts with ING's culture: entrepreneurial, open, collaborative, innovative and energetic. Who we are and how we work are set out in our Orange Code. Our values are the non-negotiable promises we make to the world. The principles we stick to no matter what are: we are honest, we are prudent, and we are responsible. Our behaviours are the commitments we make to each other and the standards by which we measure performance. These behaviours are what set us apart. We are looking for people who apply these behaviours: you take it on and make it happen, you help others to be successful and you are always a step ahead.

With integrity above all, the Orange Code is our manifesto describing the values and behaviours that define us and what it means to be ING.
