

## Job Specification – PartnerING Intern

ING is a global bank with a strong European base. Our over 57,000 employees serve around 38 million customers, corporate clients and financial institutions in over 40 countries. Our purpose is to empower people to stay a step ahead in life and in business. This purpose guides us in everything we do.

Wholesale Banking has a sector-focused client business in lending, Capital structuring and advisory, transaction services, sustainable finance solutions and financial markets.

'Do your thing' is our new brand direction and our first global tagline. It articulates our purpose and our promise to make banking frictionless. It's about encouraging people to do more of the things that move them and their business. 'Do your thing' is not about irresponsible behaviour but about people being free to live the life they want to live, knowing that they will make their world a little better for it.

### Job Description

The ING London Internship Programme: A structured programme aimed at university students and recent graduates. The programme will offer first-hand experience of what a career at ING is like by giving you an opportunity to observe and get involved in the day to day running of the business. An internship at ING will allow you to explore your interests and develop your professional skills and capabilities.

The PartnerING Squad are a SaaS (Software as a Service) monitoring team that manage the entire service lifecycle of externally hosted applications for ING London, from onboarding through production support and including decommission and exit of a service. A large part of the team's role is evidencing the security and integrity of these applications to make ING the worlds' safest bank. An intern within our squad will become competent in first line support of these applications, IT Risk management, supplier and service management, contract reviews and help integrate 3<sup>rd</sup> party solutions with ING processes and systems (including Microsoft Azure).

### Job Responsibilities

- 1st line support of the squad's external 3<sup>rd</sup> party applications.
- IT Risk evidencing to make ING the worlds' safest bank.
- Working with other ING interns to put together 'meet the manager' sessions amongst the managers, networking events and product sessions.
- Thinking of ideas for charity events for the London staff and taking them on and making them happen!
- Time spent in the Scrum Master role for Squad, including regular meetings with Product Owner (PO) and Chapter Lead (CL) and chairing retrospective meetings

### In addition

- Working with the rest of the interns to put together "meet the manager" sessions amongst the managers, networking events and product sessions;
- Actively participate in volunteering opportunities available through ING's charity partnership initiatives;
- Think of ideas for charity events for the London office and take them on and making them happen!

## Career Potential

This role provides an excellent opportunity to gain an introduction to working within the department, with the potential to apply for permanent roles as available.

### What Type Of People Are We Looking For

Creating a differentiating experience starts with ING's culture: entrepreneurial, open, collaborative, innovative and energetic. Who we are and how we work are set out in our Orange Code. Our values are the non-negotiable promises we make to the world. The principles we stick to no matter what are: we are honest, we are prudent, and we are responsible. Our behaviours are the commitments we make to each other and the standards by which we measure performance. These behaviours are what set us apart. We are looking for people who apply these behaviours: you take it on and make it happen, you help others to be successful and you are always a step ahead.

With integrity above all, the Orange Code is our manifesto describing the values and behaviours that define us and what it means to be ING.
