Creating a differentiating experience starts with ING's culture: entrepreneurial, open, collaborative, innovative and energetic. Who we are and how we work are set out in our Orange Code. Our values are the non-negotiable promises we make to the world. The principles we stick to no matter what are: we are honest, we are prudent, and we are responsible. Our behaviours are the commitments we make to each other and the standards by which we measure performance. These behaviours are what set us apart. We are looking for people who apply these behaviours: you take it on and make it happen, you help others to be successful and you are always a step ahead.

With integrity above all, the Orange Code is our manifesto describing the values and behaviours that define us and what it means to be ING.
